

COURSE ANNOUNCEMENT

Pandemic Influenza Planning and Preparedness (PIPP)

July 13-15, 2009

8:30 a.m. – 5:00 p.m. daily

What: The Pandemic Influenza Planning and Preparedness (PIPP) course is designed to train planning and management level personnel who are faced with challenges posed by the threat of pandemic influenza. This training allows responders to better understand the threat of pandemic influenza and the roles they play in preparing their communities and their employees for an outbreak of highly pathogenic and transmissible influenza. This is a three day course that culminates in an all-day exercise. The course is taught by the Center for Domestic Preparedness (CDP).

Where: South Metro Fire Headquarters
9195 E. Mineral Ave
Centennial, CO 80112

Directions provided upon registration confirmation e-mail.

Register: <http://dola.colorado.gov/dem> go to training calendar

Target Audience: Law Enforcement, Emergency Medical Services (EMS), Emergency Management Agency (EMA), Fire Service, hazardous materials (HAZMAT), public works, governmental administrative, public safety communications, health care, and public health

Breaks, etc Only coffee will be provided.
