Dear County or Region,

The Colorado Department of Local Affairs has prepared July 1, 2011 draft county population estimates for your review. These county estimates will be used as the foundation for the city, unincorporated area and special district population estimates, which will be provided in draft form this May. The county estimates are based on the 2010 Census plus annual data on births, deaths, domestic migration, international migration and change in group quarters facilities.

On our website, <http://dola.colorado.gov/dlq/demog/ctf2011draft.html> you will find estimates and information to review. Please send questions or comments to Deying Zhou, Estimates Demographer, at deying.zhou@state.co.us, (303) 866-4989.

Local government input and involvement in our estimates process ensures the most accurate data for Conservation Trust Fund distribution. Thank you again for your assistance and cooperation.

Sincerely,

Elizabeth Garner
