Private Activity Bonds for Local Officials

This class is for local officials, developers & others who want to learn how to best utilize Private Activity Bond (PAB) financing to benefit their communities, especially given all the recent changes in our economy and the bond market.

Did you know that this year, 49 cities & counties received direct allocations of PAB authority worth more than \$228 million? And that last year, out of the \$225 million given to local governments, \$140 million was returned to the Statewide Balance? Make sure that your community is taking full advantage of this valuable resource!

For local governments that do not receive a direct allocation of PABs, did you know that you can apply for it from the Statewide Balance through Colorado's Department of Local Affairs? Come learn about the potential projects and programs that you could provide to your community!

Presenters will include experts in PABs from:

- * Colorado Department of Local Affairs, Division of Housing
- * Colorado Housing and Finance Authority
- * El Paso County (Colorado Springs only)
- * Kutak Rock, LLP.

Best of all, there will be ample time to get your specific questions answered by the presenters!

Agenda

Sign-in

Welcome

PAB Allocation Process

Uses of PABs in today's market

- Multi-family Housing
- Single family Housing

Break

More Uses of PABs...

- Industrial development
- and more!

Issuing PABs

Adjourn
