The following steps were used to calculate your limit. The Division of Local Government encourages you to check each figure for accuracy. Years referenced are "Tax Year", not budget years. Amounts are rounded to whole dollars.

A1. Adjust the 2017 5.5% Revenue Limit to correct the revenue base, if necessary:
   A1b. The lesser of Line A1a [$20,581] or the 2017 Certified Gross General Operating Revenue [$19,086]

   $19,087

A2. Calculate the 2017 Tax Rate, based on the adjusted tax base:

   = A2. 0.001142

A3. Total the assessed value of all the 2018 "growth" properties:
   Annexation or Inclusion [0] + New Construction [373,886] + Increased Production of Producing Mine [0] + Previously Exempt Federal Property [0] + New Primary Oil & Gas Production [0]

   = A3. 373,886

A4. Calculate the revenue that the "growth" properties would have generated in 2017:
   Line A3 [$373,886] x Line A2 [0.001142]

   = A4. $427

A5. Expand the Revenue Base by "revenue" from "growth" properties:
   Line A1 [$19,087] + Line A4 [427]

   = A5. $19,514

A6. Increase the Expanded Revenue Base by allowable amounts:
   A6a. The greater of 5.5% of Line A5 [$1,073] or $0 = 1,073
   A6b. Line A5 [$19,514] + Line A6a [$1,073] + DLG Approved Revenue Increase [0] + Voter Approved Revenue Increase [0]

   = A6. $20,587

A7. 2018 Revenue Limit:

   = A7. $20,586

The formula to calculate a Mill Levy is:

\[
\text{Mill Levy} = \frac{\text{Revenue}}{\text{Current Year's Net Total Taxable Assessed Valuation}} \times 1,000
\]

² Use the Net Total Taxable Valuation as provided on line 4 of the final Certification of Valuation from the County Assessor.
³ Rounding the mill levy up may result in revenues exceeding allowed revenue.
## Budget Year 2019

Alamosa-La Jara Water Conservancy District (64003/1) 03/14/2020

| Certified/Approved: ³ | $0 | $0 | $0 |

¹ When a taxing entity certifies a levy for abatement/refunds, the levy must be uniformly certified against the listed assessed valuation for each county EVEN IF THE ABATEMENT/REFUND OCCURRED IN ONLY ONE (1) COUNTY.

² These amounts, if certified by your county Assessors, may only be used in this calculation after an application has been made to DLG by November 1st. Forms and guidelines are available by contacting the Division.

³ These amounts have been certified/approved and are included as "growth" for calculating the 5.5% Revenue Limit.
